MODERN BOTANY

In the early twentieth century, Botanists, Fruit Hunters and Bon Vivants explored the globe and brought tastes of foreign lands back to Britain. Dandelyan, the cocktail bar at Sea Containers London, transports you back to this time, to a place where you can lose yourself in exotic flavours, magnetic conversation and unexpected combinations.

Award-winning mixologist Ryan Chetiyawardana A.K.A Mr. Lyan, uses his extensive scientific, artistic and nomadic background to create seasonal 'field guides' that lead you on a journey of spirit experimentation and taste amalgamation.

WYLD TEA

Welcome to a very botanical take on an Afternoon Tea! The Dandelyan Wyld Tea takes the classical form of an afternoon tea and applies a distinctive Lyan twist. We wanted to channel our love of interesting flavours, our historic building & setting, a search for botanical and boozy stories & a good stab of kitsch. Each course folds a tale from the colourful world of cocktails into the wonderful world of tea and scones.
