

Sea Containers London

The Home of Press Junkets on the South Bank, where film, talent & press connect

Welcome Aboard

A Lifestyle Riverside Hotel in London

Sea Containers London is a design-led lifestyle hotel with cinematic heritage, right in the heart of culture and creativity on London's South Bank.

Trusted by organisers, media and talent alike, Sea Containers London is an established host of press events and junkets, cemented by our position as official hotel partner for both the BAFTA TV Awards and BFI London Film Festival.

At Sea Containers London, junkets feel as cinematic as the stories they launch. With dedicated spaces, integrated AV, a private cinema and discreet VIP access, our hotel is underpinned by storytelling, and our spaces and crew are set-up to deliver seamless press events to remember.
